## H. W. Weidner, 92-Year-Old Retired Superintendent Of Schools, Expires On Sunday

Herman William Weidner, 1501 Seminary Ave., 92 years and seven months old retired superintendent of schools, died at 8:40 o'clock Sunday morning at the Pape Convalescent Home, Lincoln Highway West, after an illness of several months. Complications were given as the cause of death.

Mr. Weidner was in good health until a few months ago when a hip condition curtailed his activities, especially his long standing custom of taking care of a garden and flower beds.

Several months ago he was removed to the Warner Hospital where he remained for 18 weeks. After his discharge he entered the convalescent home where for awhile he gained in strength and was active. He was an avid reader and enjoyed automobile rides with his son until a few days ago.

### KNOW END WAS NEAR

Saturday Mr. Weidner apparently had a premonition that the end was near and he asked his son, Lloyd, to remain with him overnight, which he did. Shortly after eating a light breakfast he passed away.

He was an active and faithful member of Christ Lutheran Church and for many years he was a member of Vineland Lodge No. 69, Free and Accepted Masons.

He is survived by three sons: Lloyd, who for a number of years has been his constant companion; Dean, Yards, Pa., and Bruce, Oxford, O. Three grandchildren also survive.

Scores of students whom he taught carried on correspondence with their teacher until his death. At Christmas he received hundreds of greetings from students scattered throughout the country, including the former admiral of the Seventh Fleet while it was off Formosa.

He attended his class reunions at Millersville and Franklin and Marshall throughout his years, the last being in June.

Mr. Weidner was born February 18, 1868. He was the youngest and, at the time of his death, the only survivor of a family of nine children of the late Stephen and Barbara (Giese) Weidner. He spent his boyhood on the family farm.

"To avoid misinterpretation, I want to reaffirm that we do not trust Mr. Hammarskjold and cannot trust him," Khrushchev said.

### NECESSARY CONCLUSIONS

"If he himself does not muster up enough courage to resign, so to say, in a chivalrous manner, then we shall draw up the necessary conclusions from the obtaining situation.

"It is not proper for a man who has flouted elementary justice to hold such an important post as that of secretary-general."

## COUNTY LAND GOES TO HIGH BID OF \$61,111

The county of Adams this morning made \$111,111 more in about 15 minutes than the \$50,000 it had anticipated taking in during the day's session of court.

Some time ago the Bankers Mutual Insurance Company of Adams County had offered \$50,000 for 62 acres of county land lying west of the Biglerville Rd., approximately opposite the Grandview Terrace area and bounded by the A. W. Butterfield farm on one side, Adams Realty Co. land on two other sides and by the Biglerville Rd. at its front.

The court set this morning for a hearing on the proposed sale by the Adams County Institution District. The hearing proceeded routinely with Real Estate Agents Lee M. Hartman, William A. Bigham and John C. Bream testifying that the \$50,000 was a very good price for the property.

### MAKES "LARGER" OFFER

Near the end of the hearing Judge W. C. Sheely, as is the custom in such cases, asked if anyone in the courtroom was interested in the matter and wished to submit a bid.

John A. Hauser, Biglerville, head of the C. H. Musselman Company, stood up in the courtroom and said the Conewago Corporation, of which he is also president, is willing to make a "substantially larger" offer for the property.

Attorney John A. MacPhail, representing the Bankers Mutual, moved for a recess, which was granted. There was a conference among attorneys and principals.

The hearing resumed and after some discussion the court held that the matter could be re-

LITTLESTOWN—St. John's Lutheran Church observed worldwide Communion Sunday Sunday. The ushers and communion assistants were James Dutcher, Carroll Reed, Kenneth Bortner, Paul E. King, Theron Bair and W. E. Stites. Mr. and Mrs. Sterling J. Wisotzky presented the altar flowers.

Mrs. Henry Barnes will be leader and the hostesses will be Mrs. Dale W. Starry and Mrs. Albert Starnier at the monthly meeting of the Alta Hummer organization of the United Lutheran Church Women on Tuesday at 7:30 p.m. at the church. The council will hold its October session at the church Tuesday at 7:30 p.m. The Junior Choir will rehearse at 7 p.m. on Wednesday and Senior Choir will follow at 8 p.m. The annual harvest home service will be held next Sunday at 10:15 a.m. It is requested that harvest home gifts be brought to the church not later than 4 p.m. Saturday so that the Tuck-a-Batch Class can arrange the display.

The donations will be taken to the National Lutheran Home in Washington. The annual luncheon rally sponsored by the Sunday School will be held on October 16.

Mr. and Mrs. Clayton A. Rickard, W. King St., were received into the membership of St. John's Church at the communion service on Friday evening.

Sarah Katherine Bowers, daughter of Rodney O'Dale and Yvonne Kea (Addison) Bowers, S. Queen St., was baptized following the Sunday morning service in St. John's Church by the pastor, the Rev. William C. Karns. The parents were the baptismal sponsors. The child was born June 16, 1960, in the Waynesboro Hospital.

NIXON TAKES LEAD  
LOS ANGELES (AP)—A poll of California voters shows Vice President Richard M. Nixon has moved in front of Sen. John F. Kennedy.

The poll, Facts Consolidated, showed Kennedy slightly in the lead last May.

He had summer courses at Teachers College, Columbia University, and Penn State University.

In more recent years he wrote genealogies of the Weidner and Guise families. Among the 2,300 individuals included in these genealogies many names of persons in Adams and adjoining counties are found.

Funeral services Wednesday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Dr. Dwight F. Putnam, president of the Central Pennsylvania Synod of the United Lutheran Church in America, and the Rev. Dr. Robert Koons officiating. Interment in the family lot in Sunnyside Cemetery, York Springs. Friends may visit at the funeral home Tuesday evening from 7 to 9 o'clock.

Diesel Engine Hits  
Tractor-Trailer

About \$2,000 damages resulted Friday when a Western Maryland Railroad diesel engine struck a halted tractor-trailer at a crossing in York, according to West Manchester township police.

Patrolman Harry Kockenour said the rig, operated by Herman L. Hull, 44, of Abbottstown R. 1, was too close to the tracks to stop when the crossing lights flashed. Kockenour said Hull braked the truck and jumped free, but the vehicle didn't stop until it spanned the tracks.

The engine was operated by Dale Rhodes, Hanover, according to Kockenour.

ELECTION POLL  
SHOWS RACE IS  
STILL TOSSUP

By STANLEY MEISLER

WASHINGTON (AP)—Neither Richard M. Nixon nor John F. Kennedy now has a substantial lead in the race for president. Experts rate the states with the big votes as tossups.

At this stage, Nixon, the Republican candidate, apparently has more electoral votes in his pocket than Kennedy, the Democratic candidate.

But Nixon's lead is slim and his total far from a majority.

These are the conclusions that emerge from a survey of 50 states just completed by The Associated Press.

To create its image of the election battle, the AP culled observations from its political writers, key party leaders, and veteran newspaper analysts. Various polls also were taken into account.

The survey showed that Nixon seems to be leading in 22 states with 161 electoral votes. Kennedy seems to be leading in 14 states with 123 votes.

## LARGE TOSSUP

The difference is only 38 votes, and neither man comes within 100 votes of the 269 votes needed to win the presidency.

The survey rated six of the largest states—New York (45), California (32), Pennsylvania (32), Ohio (25), Texas (24), and Michigan (20)—among the tossups, although there was some indication Kennedy had an edge in Ohio and Texas.

## RELIGION STILL HURTS

If either Kennedy or Nixon could take all or most of these 178 votes, he probably would win the election.

There were some indications Kennedy's Roman Catholic religion was hurting him, particularly in the South, somewhat in California and Illinois, and increasingly in Arizona.

The issue seemed to be waning in North Carolina and Oklahoma and helping him in Pennsylvania and Wisconsin.

OKLAHOMA CITY, Okla. (AP)—Starting today, 13 mothers here have replaced their haphazard school car pool with a bus, driver and regular schedule.

The mothers decided recently they were tired of hauling 13 children to grammar school and kindergarten each day. So they bought an ancient school bus for \$550 and hired a driver.

City and state education officials approved the idea.

RESUME TALKS  
TO HALT STRIKE

PHILADELPHIA (AP)—Negotiations resume today in an effort to halt a threatened strike of 2,000 employees against 13 Philadelphia hotels during the busy convention season in a dispute over wages and other fringe benefits.

The strike had been set for midnight Friday night when the union's three-year contract expired but the deadline was extended indefinitely when 11th hour negotiations were recessed because of the Jewish holidays. Some members of the negotiating committees are of the Jewish faith.

Bomb Explodes

NEW YORK (AP)—A mystery bomb exploded in the heart of the Times Square area Sunday, injuring seven persons and sending hundreds fleeing in panic.

The bomb, containing black powder, went up with a roar heard for blocks. Sunday strollers were bowled over and showered with dirt, stones and hedge twigs.

Two taxicabs parked nearby were covered with earth. The drivers were away eating.

Police believe the bomb was the work of a crank.

The explosion followed two bomb scares and the discovery of a live hand grenade in Central Park.

Arendtsville Was  
Short On Sunshine

Arendtsville was short on sunshine last month, Dr. Frank N. Hewetson, weather observer at the Arendtsville laboratory, reported today. He measured only 166 hours and 40 minutes of sunshine which was 44.4 per cent of the total "available" if every day had been clear.

There was an excess of rainfall but temperatures were a little below average, Dr. Hewetson said. The average daily high was 76.3 degrees and the average low was 55.1 degrees, making the average for the month 65.7 degrees. That was a half degree below normal there and 2.75 degrees below the average for last September.

The rainfall totaled 3.62 inches which was 0.53 inches above normal and 2.17 inches above the same month last year. The nine-month accumulation of rain there is 33.32 inches which is 0.91 inches above normal and 2.72 inches above the comparable figure for last year.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

Go To The Polls Early: The polls will open at nine o'clock, and close at seven. On the ground when the first gun is fired; first deposit your own vote, then see that a team is dispatched to bring out the aged and infirm, that they too may share the glory of the day. In the meantime, have an eye to the window, and if a stranger comes along treat him civilly, but before he votes, be sure he has a right to do so.

William H. Dill, a graduate of Pennsylvania College and son of Rev. H. G. Dill, of this place, has been appointed Professor of Ancient Languages and History in the Dickinson Male and Female Seminary, a very flourishing institution located at Williamsport, in this State—which numbered on its roll for the past year 311 students. He is a very worthy young man, and will well fill the responsible position.

C. X. Martin: C. X. Martin turned Know Nothing—put himself at the head of the Order in the county—became its pet, its Grand Master—and one of its earliest nominees for office. He couldn't stay in the Democratic party—oh, no, it wasn't strong enough—but he must go into what he thinks will prove a stronger party, and turn his back upon and denounce that to which he was previously attached. He went into the new party for office—let them give it to him, if they can. He has no claim upon Democrats, whatever—but deserves, rather, a severe rebuke at their hands.

Hon. W. P. Schell: The Democratic nominee for Congress arrived in our place this morning, and will speak at Mummaburg to-night. He's plain, unassuming, easy manner, and his warm heart, are winning "golden opinions for him from all sorts of people." He has never yet been defeated, and cannot be now.

SEVENTY-FIVE YEARS AGO  
The Carlisle Fair last week proved a fine success. In the running races, Col. J. H. McClellan's "Armada" took third money, \$20, the first day, 51 1/4 seconds, half mile heats. On the second day he took second money, \$30; 1:51, mile dash. On the third day he got second money again, \$30; 5/4 and 56 seconds, half mile. The races were all very close, neck and neck.

A coaching party of ten, from arrived here in the trolley-bus "Yellow Jacket," belonging to Mr. and Mrs. R. E. Miller, on Thursday evening, and stopped over night at the Eagle. They are out on a two weeks' trip taking in parts of this state and Maryland.

Five Indiana County farmers were recently arrested and fined for permitting Canada thistles to grow on their lands.

Cash-town Improvements: This pleasant village, so snugly nestled in the shadow of Rock-top, can now boast a building boom. Augustus Mickle has under roof a two-story frame dwelling house, and D. A. Mickle a similar building on the way—both along Main Street, lots purchased from Moses Schwartz. On the same street Jacob Deardorff, on a lot purchased from H. L. Bream, will build a two-story brick dwelling, and George W. Schwartz will also build a two-story brick, on a lot purchased from his father, Moses Schwartz. These improvements are all to be fine, and in keeping with the other handsome buildings erected in the town during the last few years.

PRINCETON, N. J. (AP)—Three Penn State players have qualified for the Eastern College Athletic Conference golf championship. Jim Morton, a State senior, fired a 78 Saturday to pace all regional qualifiers for the championship which will be held Saturday in New Haven, Conn. The other Penn State qualifiers were Jack Bartko, 79, and Bob Rutherford, 85.

## Today's Talk

## WHAT A CHANCE!

Every time I go into a free library and see the hundreds of men and women, young and old, reading at the tables or desks, I say to myself: "What a chance!"

And I never am freed of this thought, no matter where I go. It seems as though there are so many things to do and so few with the grasp and vision to take up the big and important tasks that call so loudly for help.

With continuing improvements in modern appliances and with the advent every day, it seems, of new and more perfected means for travel and living, the drone and complainer should be hopelessly in the minority.

What a chance a man or woman has these days! Knowledge is so free. You can fairly pick it up on the streets. Or over the radio, or TV. And yet there will always be "new worlds to conquer." The biggest task a man has to do these days is to think. And then he has the privilege of going to scores of books where many of his ideas have been already worked out through experiments. All he has to do is to take fresh steps and go farther than the one before him.

What a chance, we who have been highly favored, have. Let us do all that we can to help those who are more meagerly cared for by fortune, to find and see their chance.

Tomorrow Mr. Adams will talk on the subject: "The Household Broom."

## Just Folks

I TOLD YOU SO  
"I told you so!" now goes the cry, "Where'er you go, where'er you stand; "I told you so, now, didn't I," Today is heard on every hand. Some rose victorious from the fray, And others in defeat are low; Proudest of all are those who say: "I told you so!"

Great comfort in those words must be, For note the satisfaction keen, Of all who come to you and me, And swear they saw what wasn't seen. Man's pride is shown in many ways, Behold it as though life you go; He fattens on his self-made praise, And proudly says: "I told you so!"

"Just as I said," he starts his tale, I knew it, if you recall, I told you so—and so would fail; I told you what you might expect. He saw what others had not seen, He knew what no one else could know; Whatever happens, he so keen, Jumps up to say: "I told you so!"

It may seem strange but it is true, As on through life this wise man goes; He's always telling what he knew, But never telling what he knows. He will not bet a dollar on The simplest thing that he may know;

But when he sees how it has gone, He's quick to say: "I told you so."

## TOP COLLEGE TEAM SEEN AS LIKELY TOSSUP

## By ED CORRIGAN

Associated Press Sports Writer  
Mississippi and Syracuse, the two top candidates for the national college football championships, still had unscathed records today, but there were rumblings from below.

The likes of Navy, Army, Florida, Iowa and even Minnesota are not going to be brushed off.

Both Ole Miss, No. 1 in the current Associated Press weekly poll, and Syracuse, the defending national titleholder, have breathers this Saturday after a couple of close calls last week.

Mississippi plays at Vanderbilt, hardly a major test, and Syracuse visits Holy Cross, which shows a sad 0-2 record. The Crusaders, in fact, bowed to Boston University, 20-14, last Saturday. Syracuse trimmed BU, 35-7, a week earlier.

## BOTH SQUEAKERS

Johnny Vaughn's Rebels hardly enhanced their stature in their 30-21 triumph over Memphis State Saturday. Nor did Syracuse have an easy time in sneaking past Kansas, 14-7.

"We made a million mistakes," moaned Syracuse Coach Ben Schwartzwalder. He wasn't more than a half-million off.

But Washington is in dire straits. The bubble already has burst for the Huskies, rated the top team on the West Coast. They dropped a 15-14 decision to Navy (on Gregory Mather's last-play, 31-yard field goal) and now will go about the business of trying to pick up the pieces against Stanford.

WERE NO. 3  
The Huskies were ranked No. 3, right behind Mississippi and Syracuse, in the AP poll.

Navy, suddenly prosperous, goes against Southern Methodist this Saturday, but gets a stern test the following week against the Air Force Academy. The fly boys clubbed Stanford, 32-9, and play Missouri this week. They will bear watching, too.

Army now shows a 3-0 record, having allowed just 17 points in three games. The Cadets rolled to a 28-10 decision over California, with Penn State coming up. The Nittany Lions' 21-8 loss to Missouri will take some of the luster of the game.

## TECH UPSET

Florida, which couldn't finish any better than ninth in the Southeastern Conference last year, dropped Georgia Tech, No. 10 in the AP rankings, 18-17, and now rates at least a threat for the title. The Gators have the schedule going for them, too. They don't have to play Mississippi.

Iowa, No. 8 in the rankings, shocked Northwestern, No. 6, by a fantastic 42-0, in a Big Ten game. The Wildcats were rated one of Illinois' prime rivals for the league crown.

## PURDUE WINS

Purdue humiliated Notre Dame, 51-19, while fourth-ranked Illinois whitewashed West Virginia, 33-0. Clemson, No. 7, and the favorite for the Atlantic Coast Conference crown, whipped Virginia Tech, 13-7, and Ohio State, No. 9, turned back Southern California, 20-0.

Even the Ivy League produced a big upset. Dartmouth polished off Penn, the defending champion, 15-0.

Arkansas moved into a contender's spot in the Southwest Conference with a 7-0 decision over Texas Christian, while Baylor beat Louisiana State 7-3.

## Tiny Champion Is Boxer Of Month

PROVIDENCE, R.I. (AP)—The smallest champion of them all, Pone Kingpetch of Thailand, has been named the National Boxing Association's boxer-of-the-month.

Kingpetch, the world flyweight king, drew top honors for his impressive title defense against Pascual Perez of Argentina.

The NBA Rating Committee also announced that heavyweight Eddie Machen of Portland, Ore., was boosted over former champion Ingemar Johansson of Sweden into the No. 2 challenger's spot.

Johansson, down for another title shot at champion Floyd Patterson next spring, now is in the third spot behind Sonny Liston of Philadelphia and Machen.

## OLD PRO QBS. IN AFL HELP TEAMS TO TOP

## By JACK CLARY

Associated Press Sports Writer  
Al Dorow and Frank Tripucka, a pair of old pro quarterbacks who splashed through football's fountain of youth when they joined the American Football League have their teams atop the league's two divisions today.

Dorow, who played for Washington and Philadelphia in the National League, and Toronto in the Canadian Football League, passed for four touchdowns Sunday, and gained 281 yards in the air, as his New York Titans defeated Dallas 37-35 to gain the top rung in the Eastern Division.

Denver, the surprise of the AFL moved into permanent possession of the Western Division lead with a 31-14 lacing of Oakland as Tripucka fired two touchdown passes to end Lionel Taylor.

## LOS ANGELES WINS

Los Angeles won over Buffalo 24-10 in the other scheduled game. Boston and Houston were idle.

In the National League, quarterback George Shaw threw four touchdown passes for the New York Giants as they beat St. Louis 35-14. Cleveland won over Pittsburgh 29-20, Baltimore erased Chicago 42-7, Green Bay defeated Detroit 28-9 and San Francisco conquered Los Angeles 13-9. Washington was idle and Philadelphia beat Dallas 27-25 last Friday night.

Dorow, the former Michigan State star, did most of his work in the first half when he rolled up 272 yards and all his TDs. Still, a 32-yard field goal in the last period by Bill Shockley was the final difference. Dorow broke a 7-7 tie midway in the first period with a 26-yard scoring toss to Don Maynard. He hit Shockley with a 5-yarder and Dave Ross for 37 in the second period for touchdowns and Dallas never could catch up.

Dorow's first scoring toss went to end Art Powell for 36 yards. Dorow also scored from the 1-yard line in the third period.

## TACKLE SCORES TD

Dallas' scoring was divided among Cotton Davidson, who also passed 8 yards for a TD to Chris Burford, Bo Dickinson, Abner Haynes and Johnny Robinson.

Tripucka, also an 8-year veteran of the NFL and Canada, got scoring help from tackle Bill Yelverton, who ran 20 yards for a touchdown with an intercepted pass, and from Dave Rolle's 57-yard scoring gallop. A crowd of 18,372 watched Denver's AFL home opener.

Los Angeles used the forward pass in reverse, intercepting four Buffalo aeriels, two by linebacker Paul Maguire that helped produce touchdowns. Bob Clatterbuck's 11-yard TD pass to Dave Kousser followed the first and Howie Ferguson's two-yard burst for the second LA score climaxed the second.

## SHAW PITCHES GIANTS TO WIN OVER ST. LOUIS

By MIKE RATHET  
Associated Press Sports Writer

Quarterback George Shaw, long-time heir apparent to a front-line job over serving his National Football League apprenticeship under two pass masters, is making a determined bid for the top berth with the Eastern Division champion New York Giants.

The 27-year-old veteran of six pro campaigns came off the bench with New York trailing 7-0 in the second period and threw four touchdown passes as the Giants walloped the St. Louis Cardinals 35-14 for their second victory without a loss.

## TOOK OVER FOR CONERLY

Shaw, the understudy to Baltimore's amazing Johnny Unitas before being traded to the Giants, took over for another tutor—aging and ailing Charley Conerly—after the Cardinals had forged ahead on a 26-yard scoring pass from Jim Roach to John David Crow.

Then, just as he had done against San Francisco last week, Shaw pitched the Giants from behind, flipping a pair of TD tosses to Joe Morrison in the last 3 1/2 minutes of the second period for a lead the Giants never relinquished.

The Cleveland Browns kept pace in the Eastern sector by beating Pittsburgh Steelers 28-20 for their second triumph while Baltimore's NFL champion Colts drubbed Chicago's Bears 42-7 behind Unitas' four touchdown aeriels and took over the top rung in the West with a 2-0 mark.

## PACHERS WIN

The Green Bay Packers beat the Detroit Lions 29-9 and San Francisco defeated Los Angeles 13-9 in other games.

In the American League, the New York Titans moved into first place in the East by edging Dallas 37-35 and Denver's Broncos belted Oakland 31-14 and gained the top spot in the West. Los Angeles trimmed Buffalo 24-10 in another AFL test.

Shaw, completing 15 of 22 passes for 238 yards, pitched 51 and 6-yarders to Morrison, then wound up his key performance with 17 and 10-yard TD strikes to Kyle Rote. Mel Triplett bulled 33 yards up the middle for the other New York touchdown. King Hill sneaked 1-yard to round out Cards' scoring before 26,069 at St. Louis' home opener.

## UNITAS EXTENDS RECORD

Unitas, extending his record TD-a-game string to 39 consecutive regular season contests, opened up with a 66-yarder to Lenny Moore on the first play of the game. He also hit Moore with an 18-yarder and passed 27 to Ray Berry and 43 to Jim Mutscheller on other aerial thrusts against the Bears, who had won eight straight over two seasons.

## Coast Guard Gives Up Search For Ship

CAPE MAY, N. J. (AP)—The Coast Guard has abandoned its search for Raymond Bailey of Collingdale, Pa., and his boat, the Sea Bass.

The 36-foot cabin cruiser disappeared in Delaware Bay Friday after Bailey left Somers Point marina for Essington, Pa., where he planned to store the boat for the winter.

With Bailey was Harry Wilkinson, 40, of Northfield. His body was found floating in a life jacket near overfalls shoals, Saturday.

## Baseball Crowds Up 4 Pct. In '60

NEW YORK (AP)—Helped by a record-shattering total in the National League, the majors' attendance increased four per cent in 1960.

Sunday's final games hiked National League attendance to 10,684,085 and the American League gate to 9,226,526. The over-all total of 19,910,611 was a gain of 766,632 over 1959.

The Los Angeles Dodgers set a club mark in the National League, playing before 2,253,019 paid. The old record was 2,215,404 set by Milwaukee in 1957.

The Chicago White Sox led the American League with 1,644,460. This was 17,000 more than the New York Yankees.

The former National League attendance record was 10,388,470 established in 1947.

PHILADELPHIA (AP)—The Philadelphia Phillies finished the 1960 season in the National League cellar for the third straight year and the 21st time since 1900, breaking their own record for most last-place finishes. The Kansas City Athletics, who ended last in the American League, rank second with 20 last-place finishes.

## Shreiner, Lucas Spark Bullet Squad To 26-0 Victory Over Juniata

Gettysburg's "Mutt and Jeff" combination of Tom Shreiner and Eddie Lucas set the pace for Gene Haas' Bullets as they romped to a 26-0 win over Juniata College Saturday afternoon on Memorial Field. The game was played before a Father's Day crowd of 5,500 fans.

Tom Shreiner, 6'1, 254 pound sophomore tackle, broke the game wide open after three minutes had elapsed in the second half. The Lancaster native picked up a Juniata punt on his own 29-yard line with both squads apparently thinking the ball was dead and streaked 63 yards to the Indians' eight. Eddie Lucas, Eddystone, 5'8, 165-pound halfback, bolted off right tackle on the first play from scrimmage to score his first of four TD's. Earl Little's placement was perfect and the Bullets led 7-0.

After the game, Shreiner said, "I didn't hear any whistles blow, so I figured I could pick up a couple yards for us. It isn't too often a tackle gets a chance to run with ball."

### BULLETS BOTTLED UP

The major part of the first half was played in Gettysburg territory as the Juniata squad put up a gritty exhibition. Twice the Bullets were forced to buckle down on their own 17 and hold the Indians' offensive drive. At the end of the half the contest was in a scoreless deadlock.

Gettysburg moved further ahead at the 8:33 mark of the third frame when again Lucas tallied, this time on a 28-yard scamper off right tackle. The TD run climaxed a 58-yard drive and was set up by a 30-yard pass from Earl Little to Rich Bainbridge. Little's placement was wide.

Just after the final quarter got underway, Lee Roeder recovered a Harry Long fumble on the Juniata 40. Jack Norwood, sophomore quarterback, and Eddie Lucas who took the ball on the nine-yard line and raced into the end zone. Little added his second extra point.

The Bullets' final score came exactly 1:19 later. Tony Faber fumbled the kick off and again Roeder recovered on the visitors' 24. Norwood connected on an aerial to Lucas placing the ball on the 13. Norwood then rolled out to his left for a four-yard gain and Lucas took a lateral on the nine completing the scoring play. This time Lucas attempted the placement, but it was low and wide to the right.

At this stage in the game, Haas began substituting freely. Everyone was given a chance to play with the exception of Ralph Sorrento, Don Carpenter and Ron Council, who are still nursing injuries, but who suited up for the game.

Juniata came to Gettysburg with high spirit as Haas had expected. The Indians controlled the ball most of the first half, but the Bullets ended began crashing through quickly forcing Coach Ken Bunn's runners to the interior and in the second half they were up against a stone wall.

Next Saturday the Bullets will travel to Bethlehem to take on a powerful Lehigh outfit in a Middle Atlantic Conference game.

## GROAT WINS BATTING TITLE; 'SERIES NEXT'

**By JOE REICHLER**  
**Associated Press Sports Writer**  
PITTSBURGH (AP)—"Winning the pennant first and now the batting title. All we have to do now is win the World Series."

That's what Captain Dick Groat of the Pittsburgh Pirates said Sunday after learning he had won the National League batting championship.

"Naturally it's a thrill to win the batting title," he said, "but I'm especially happy because I didn't back in. I don't think I would have been proud of the title had I sat it out with a frozen average. It wouldn't have been fair to Norm Larker because all the pressure would have been on him."

### 2-GAME RETURN

Groat's reference was to his return to the lineup for the last two games after sitting out three weeks with a wrist fracture. He had two hits in five times at bat Saturday and one-for-four Sunday which enabled him to finish with a .325 mark, just two points higher than Larker's .323. Larker, needing at least two hits to overtake Groat, had one hit in three official times at bat.

Groat's figure was the lowest to win the NL title since Ed Roush of Cincinnati won it in 1919. He is the sixth Pirate to win the batting crown since the turn of the century. Hans Wagner did it seven times, Pat Waner three times, Ginger Beaumont, Arky Vaughan and Deb Garmes one each. The latter, with .355 in 1940, was the last Pirate to win the title before Groat.

### NO POWER HITTER

"This is one title I never thought I would win," said the balding 29-year-old native Pittsburgher who came to the Pirates off the Duke campus as a bonus baby back in 1952. "I love to hit but I'm no power hitter or anything like that."

"Golly, what a thrill. It's just beginning to dawn on me. This is what every ball player looks forward to—winning a batting title. But the pennant was the most important objective. Now the most important thing is to win the World Series. That would be a big three for me, all right."

In six previous seasons in the majors, Groat batted .300 or better only twice. He hit .315 in 1957 and .300 in '58. Last year, his average slumped to .275. His lifetime mark up to this year was .286.

## Pete Runnels Wins AL Batting Crown; Yanks End Season With 15 Wins

**By ED WILKS**  
**Associated Press Sports Writer**  
Pete Runnels won his first batting title. A couple of kid right-handers, Jim Perry and Chuck Estrada, were the winningest pitchers. And Baltimore's modern-day Orioles finished second, their highest yet.

But the American League champions? The New York Yankees, and no doubt about it.

With Mickey Mantle winning the home run crown with 40, one more than teammate Roger Maris, who took the RBI title with 112, the Yankees broke their AL home run record, gave Manager Casey Stengel his 10th pennant in a dozen years, and finished with a 15-game winning streak—the longest ever for a club headed into the World Series.

### FINISH WITH A FLOURISH

The Yankees, their pride stung by last season's frustrating third-place failure, bounced back for a 97-57 record, their sixth best under Casey, and crushed Baltimore's surprising bid by winning 19 of their last 21 games.

They finished with a flourish, coming from behind in Sunday's regular season win up for an 8-7 victory over the Boston Red Sox on a two-run homer in the ninth inning by Dale Long that sent them barreling into next Wednesday's World Series opener at Pittsburgh against the Pirates—Long's onetime teammates.

The Pirates, who clinched their first pennant in 33 years a week ago Sunday, the same day the Yanks put away their 25th flag, finished with a 95-59 record by

beating second-place Milwaukee 9-5. In the other NL finales, San Francisco defeated the third-place St. Louis Cardinals 8-2, and the fourth-place Los Angeles Dodgers, 1959 world champs, downed Chicago's Cubs 4-3.

### 1959 HOMER

Long, 34, a left-handed hitting first baseman picked up from the Giants in late August, batted .366 and drove in 10 runs during the stretch run. His game-winning shot against the seventh-place Red Sox was his third as a Yankee.

That was the 1959 home run of the year for the champs, who had set the old AL standard with 190 in 1956.

Runnels, 32, Red Sox second baseman, sat out the final game and finished with a .320 average. Al Smith, injured Chicago White Sox outfielder was second with .315.

### SHUTOUT FOR TRIBE

Perry (18-10) pitched a five-hit shutout for Cleveland as the fourth-place Indians defeated the 1959 champion White Sox 4-0. Early Wynn, last year's top winner with 22, was the loser for a 13-12 record. Estrada, a rookie who lost 11, won his 18th for Baltimore Saturday.

Baltimore clinched an undisputed runner-up finish by beating Washington 2-1 on Jackie Brandt's 15th home run in the eighth inning. It was the seventh straight defeat for the fifth-place Senators, who missed the first division by winning only three of their last 19.

Last-place Kansas City beat sixth-place Detroit 2-1.

## ARENDTSTADT WINS TO GAIN FINAL SERIES

Arendtstad, regular season gained the final series for the play. South Penn League champion, off the Duke campus as a bonus baby back in 1952. "I love to hit but I'm no power hitter or anything like that."

"Golly, what a thrill. It's just beginning to dawn on me. This is what every ball player looks forward to—winning a batting title. But the pennant was the most important objective. Now the most important thing is to win the World Series. That would be a big three for me, all right."

Next Sunday Cashtown, who eliminated Harney in two straight, will play at Arendtstad in the first of another best-of-three series for playoff championship.

Three runs in the top of the eighth inning broke the game wide open.

Dick Pitzer, winning moundman, gave up five hits and fanned three. Don Coldsmith, the loser, yielded seven safeties and struck out seven.

## Juniata Harriers Outpace Bullets

The Gettysburg College cross country season got off on a sour note Saturday morning as the Juniata Indians walloped the Bullets 17-42 on the Country Club golf course.

The meet marked the opening of the season for both schools and for Juniata it was their 19th straight win without a loss. They have traveled through three unbeaten seasons and are beginning their fourth under head coach Mike Snider.

The Indians took the first three places while Pete Murray, Bullet sophomore, took fourth. Don Layman, Indian flash, toured the four-mile course in 23:19, 25 seconds over the record.

The results:

1 — Layman, J, 23:19; 2 — Berthold, 23:22; 3 — Heckman, J, 23:58; 4 — Murray, G, 24:40; 5 — Berkey, J, 24:52; 6 — Chew, J, 25:08; 7 — Martin, G, 25:18; 8 — Andrews, G, 25:23; 9 — Cummins, G, 25:25; 14 — Munzinger, G, 26:58.

## AMATEUR GOLF CROWN WON BY UNITED STATES

**By RALPH BERNSTEIN**  
**Associated Press Sports Writer**  
ARDMORE, Pa. (AP)—The sideshow enveloped the main event at the World Amateur Golf Team Championship won handily by the United States.

All the pre-tournament hoopla, the propaganda during the four-day, 72-hole tournament and the speeches after the colorful international matches featured the "team" thesis.

And so it was a team event. Thirty-two nations vied for the Eisenhower Cup in the biennial event. The American foursome won by 84 strokes with Australia's defending champions second, Great Britain-Ireland third and South Africa fourth.

**STUDENT WAS THE STORM**  
But the big storm was a colleague from Columbus, Ohio, Jack Nicklaus.

The 20-year-old Nicklaus stole the show.

Admitting that the 6,694-yard Merion course was not set up as tough for the amateurs as it was in 1950 for the U.S. Open, the four rounds played by the Ohio State junior still were amazing.

### 19-UNDER PAR

He fired rounds of 66, 67, 68 and 68 for a 72-hole total of 269. This was 18 strokes lower than the 287 posted in the 1950 Open.

Nicklaus, of course, did not win the championship alone. His three teammates also turned in some wonderful golf. Deane Beman, 1960 National Amateur champion posted rounds of 71-67-69-75—282; Bob Gardner, New York publicist, carded 71-71-68-74-284; and 44-year-old Billy Hyndman of Philadelphia registered 71-76, 67-75-289.

The American total under the system of adding the three low cards daily of each foursome was 834 strokes.

## Littlestown, West York, Play 14-14 Tie; Bowers Scores On Two Long Runs

Littlestown scored twice in the first period, both via long runs by Bill Bowers, but the Thunderbolts were forced to accept a 14-14 deadlock with West York in their Laurel Conference game played Saturday afternoon on the Bulldogs' gridiron.

It was a typical grueling game between the old rivals and there was little to choose between the squads. An overflow crowd attended.

West York took the opening kickoff and after picking up a first down was thrown for losses on the next series of play and soon punted to the Littlestown 36.

### BOWERS BREAKS LOOSE

After a line plunge netted two yards, the Bolts stunned the crowd when Bowers got off on the first of his two long runs. The star Bolt broke through the line and, aided by several blockers who turned in their assignments, raced away to gallop 62 yards into the end zone. Larry Snyder place-kicked the point to make it 7-0.

Later in the first period Littlestown secured possession of the on the West York 44 on a punt. Three power plays picked up a first down on the 33 and from there Bowers got off on his second TD run. Again Snyder booted the point.

The ensuing kickoff opened the second period and the Bulldogs drove 69 yards only to be halted by the stout Littlestown defense on the 1-yard line.

After six plays, the Bolts were forced to kick but the punt carried only to the 42. In six plays West York scored. Dick Myers passed to John Waltersdorff for eight yards and then to Fred Gross for 10. Bill Link picked up 22 yards on two tries. Larry Knipple plunged to the one and then Link crashed over on the next play. Link also kicked the point.

Coach Ron Lawhead's outfit was stymied time and again during the scoreless third period on fumbles.

### FUMBLE COSTLY

## RIGHTHANDERS EXPECTED TO START SERIES

**By JOE REICHLER**  
**Associated Press Sports Writer**  
PITTSBURGH (AP)—A right-handed pitching duel between Vernon Law of Pittsburgh and Art Ditmar of New York was forecast today for the opening game of the 1960 World Series Wednesday between the National League champion Pirates and American League champion Yankees.

Law was officially named by Danny Murtaugh Sunday after the Pirate manager was assured that the 20-game winning right-hander had completely recovered from a slightly sprained right ankle. The injury hampered his work in a series tuneup against Milwaukee last Friday.

Another encouraging note to Murtaugh was a report from Dick Groat, concerning the left wrist he fractured last Sept. 6. The Pirates' captain and shortstop, who Saturday made his first start in over three weeks, rapped two hits and fielded faultlessly, reported no ill effects.

### 2ND AND 3RD GAMES

"Groat positively will play in the series," said Murtaugh. "This is the best news I've had since we clinched the pennant."

Murtaugh was so happy he even named his pitchers for the second and third games.

Right-hander Bob Friend (18-12) will pitch here Thursday and southpaw Vinegar Bend Mizell (14-8) will hurl the first game in Yankee Stadium, Saturday.

### CAPACITY CROWD EXPECTED

Yankee Manager Casey Stengel is expected to open with Ditmar, his top winner, and save Whitey Ford, his veteran southpaw, for Saturday's game. Bob Turley, another right-hander, is the second game possibility. Ditmar (15-9) last worked on Friday, pitching five innings against Boston.

A capacity partisan crowd of some 38,000 is certain to fill Forbes Field in hope the Pirates will avenge the Yankees' four-game World Series sweep in 1927, the last time Pittsburgh won the National League pennant.

Excitement over Pittsburgh's first championship in 33 years has reached a boiling point, he games have long been sold out and scalpers are asking and getting \$35 for a \$7.70 reserved seat and as much as \$60 for an \$11.00 box seat.

All games are slated to start at 1 p.m. (EDT) except that of Sunday, which will start an hour later. The weatherman predicted partly sunny skies and cool weather but no rain. All games will be nationally televised.

## Let's Look At The Record

**CONGO MUMBO-JUMBO**  
Under A Constitution Few Can Read  
Parties Galore Confuse Congolese

By JIM DAN HILL, Ph.D.  
President, Wisconsin State  
College, Superior

IT TAKES SOME heavy digging in a good college library to find answers to most of the questions readers are asking about all the mumbo-jumbo background to chaos in Congo.

Here are some of the tougher questions, plus what appear to be the best answers available. Perhaps your question is among them.

THE PRESS reports often refer to a Congo Constitution. Did the Congolese write it themselves? And if so why don't they live in an orderly manner in their new freedom?

The Congo Republic has a so-called constitution that the Congolese did not write for themselves. As is often the case with constitutions that have been "handed down" (in contrast with those that have "worked upward" from the political experience of the people), the present Congo constitution is a failure.

Not until spring of 1957 did the Belgians decide to free the Congo rather than invite an expensive colonial disaster such as France is having in Algeria. They sought to give the Congolese political experience at the local level, advance them to what we might call state level and then graduate them into a national self-government structure.

LAST MAY the Belgian Parliament enacted a so-called Structures of Government bill of 253 articles, stipulating in detail how

the Congolese should govern themselves. It created a senate chamber of deputies, and six provincial legislatures similar to those of Canada. Katanga, the seceding province, was given one of these. All six provincial legislatures are likely to become instruments of further disunion rather than agencies of a new nationalism. In other words, the chaos has just started.

But it took our forefathers from 1619 to 1787, with a bloody Civil War (1861-65), to evolve by experience the present American constitution. We should not become too impatient with the Congolese.

HOW ABOUT THE Congolese political parties? Is that of Kasavubu the same as Lumumba's? Is there a truly conservative party? Where does Colonel Joseph Desire Mobutu fit into the picture?

The Congo Republic has no political parties as we understand the term. The present so-called political parties came into existence as late as 1958. They knew and are pledged to but one principle. Freedom! Now that they have it, all Congolese parties appear to be completely without a platform. All are in a scramble for power. The "parties" are now more than regional, tribal groupings.

LUMUMBA'S FOLLOWING is a splinter of what was started in 1958 as an approach to a national party called the MNC—Mouvement National Congolais. His faction is now referred to as "MNC—Lumumba." Since it has been in-

filtrated by Communist agents and literature from Moscow, one may well consider it the party of radicalism. A new leader could change its complexion over night. Its strength is in Orientale.

The other faction of the old Mouvement National Congolais is known as MNC—Kalonji, with strength in Kasai region and among the numerically strong Baluba tribes. Leadership is "intellectual" and is weak in terms of army strength.

PNP, or Parti National du Progress, is another movement, apparently conservative in origins, that has never really gotten off the ground. Its leaders were too friendly toward the outgoing Belgians. Such strength as it had was in the Province of Equator.

ABAKO, Association des Bakongo, along with PSA, Parti Solidaire Africain, and LUKA, Union Kwangolaise, are not political

parties so much as they are political machines in the vicinity of Leopoldville.

Since they control the mouth and lower stretches of the Congo River and the all important city of Leopoldville, they are in position to dominate. President Kasavubu, of the ABAKO group, appears to have far more silent strength than anyone suspected as recently as a month ago.

IT WAS KASAVUBU who put Lt. Col. Mobutu into the limelight as a potential "strong man." He is allegedly inclined toward the United States.

The New York Times, Friday, September 16, under the caption "Journalist — Strongman," gives Colonel Mobutu a rather flattering and detailed biographical profile. But one does not need a long memory to recall the days when the New York correspondents were giving Cuban insurgent Major

Fidel Castro an extremely good press.

When the Congolese army had Belgian officers, sergeant major was as high as a native could go. Mobutu, now 29, achieved that rank at 23, and left the army to publish a small paper. When the white officers were expelled this summer, he re-entered the army as a lieutenant colonel and chief-of-staff.

The "strongman" who can first pay and feed the neglected native troops is likely to rule the all important Leopoldville region—possibly all Congo, eventually. Colonel Mobutu is today's best bet.

## Brucellosis Test Urged For Swine

HARRISBURG (AP)—The State Agriculture Department urges Pennsylvania swine breeders to have their breeding stock tested for brucellosis.

Dr. Robert L. Elsea, acting director of the department's Bureau of Animal Industry, said Sunday a large proportion of the cases of undulant fever found in humans last year was traced to infections received when slaughtering swine.

Elsea said testing of swine for brucellosis is to be done on a voluntary basis by local veterinarians. He added that the bureau

a top rating of 1,000 after a 20-7 win over Berwick. In the Southern Division, Hazleton beat Tamaqua 32-0 to take the lead with a rating of .500.

will issue a certificate to the herd owner when all breeding stock has been tested and found free of any infection.

The department said certification that the animals do not have brucellosis gives the owner greater freedom to ship the breeding from state to state.

"Now we're recruiting a recruiter," said Allen A. Hyman, deputy personnel director.

## Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

## GOVERNMENT ROLE IN U.S. AFFAIRS IS BEING DEBATED

By SAM DAWSON  
AP Business News Analyst

NEW YORK (AP)—How can we take some of the burdens of office off the shoulders of the president of the United States? Can the nation deal adequately with both its increasing domestic problems and mounting and quick changing foreign turmoil without slighting one for the other?

These are widely debated issues in the presidential campaign. Opinion on how to deal with them differs markedly.

But the National Association of Manufacturers says today that the basic issue involved in both questions is how much the federal government should do and how much should be left to the states or to private endeavor.

### BURDEN ENLARGED

In a study of the role the federal government should play, the NAM holds that it is increased federal involvement in local matters that adds to the burdens of the presidency and also leads to conflict of emphasis between foreign and domestic problems.

The NAM has never been counted among the friends of increased involvement of the federal government in local government duties or in business matters. But the trend toward centralism has gone on steadily. And today NAM charges this is hurting the government in its conduct of defense and survival policies in confused and critical times.

It argues that increased reliance upon the federal government to solve domestic and local problems saps the energies of the president. It also holds that Congress and diplomatic and defense agencies are diverted from con-

## Dick Nixon Gets Patriot Backing

HARRISBURG (AP)—Vice President Nixon, Republican nominee for president, has been endorsed by the Harrisburg Sunday Patriot-News.

"Of the candidates from whom the people will choose Nov. 8, we believe Richard M. Nixon is incomparably better qualified by experience, by maturity and by resolute qualities of heart and mind to lead our nation," the newspaper said Sunday in an editorial.

Referring to the Democratic nominee, Sen. John F. Kennedy of Massachusetts, the editorial said: "We admire young Mr. Kennedy and believe that if the people should decide for him in November he would give his best to his country. We just don't believe his best will be good enough."

centrating on foreign dangers.

### THE OPPOSING VIEW

Opposed to the NAM view is the one holding that federal participation is needed to make the economy stronger, and hence able to ward off outside threats. Champions of centralism hold that Washington must do what the states don't or won't.

But the NAM contends this overburdens the president. It says it isn't fair to the man or to the office to assume a superhuman endowment, either of physical stamina or of wisdom, concerning every detail of the life and work of the citizens. It wants his responsibility limited to truly national tasks.

The business group argues that states and local communities could bear the cost of local projects if they weren't beguiled by the ease of obtaining federal funds.

But those who favor having the government take on more tasks insist that some states and many communities aren't able to do all the needed or desired things. And they contend that the entire nation must be economically strong if we're to meet outside threats.

# Do Your Part! Give Now To Your Gettysburg Community Chest Fund 1960 GOAL \$28,300 OCTOBER 3 to 18, 1960

## An Appeal To The Citizens Of Gettysburg:

PAUL B. FOX

Dear Neighbors:

Attaining a goal of \$28,300—even for such worthy organizations as the seven which participate in the Gettysburg Community Chest—is no small task. Our sights are higher than ever this year simply because the needs of these agencies are greater than ever.

Success in meeting this increased goal hinges upon increased giving.

For those who already are giving to the hilt, we express our sincere gratitude. You provide the Chest with a firm foundation. For the many who could conceivably boost last year's gift, we ask your careful consideration to the great good which these agencies do and the even greater good they are capable of doing with greater support.

The life of the organizations which the Chest represents depends upon the support of the community. I therefore appeal to the community of Gettysburg to continue this wonderful work through generous donations.

*Paul B. Fox*  
Your chairman,

# 4 VICTIMS OF TRAINS BOOST PA. DEATH TOLL

By THE ASSOCIATED PRESS

Four persons were killed in train accidents in Pennsylvania over the weekend, pushing the death toll to 12 from the period beginning at 5 p.m. Friday and ending midnight Sunday night.

It was the highest number of train accidents for a weekend this year.

Three of those killed by trains were pedestrians. They were Frank V. Fusco and Leo Gillen, 53, both of Philadelphia, and William Delp, 79, of North Wales. The accidents occurred Saturday.

## 8 ON HIGHWAYS

Eight persons were killed in traffic accidents, including Steve Cibula, 37, of Bradford, whose auto collided with an Erie Railroad train at a crossing in Custer City Saturday.

One double fatality was reported. Jack Maars, 23, and Donna Jean Nickerson, 15, both of Bemus Point, N. Y., were killed Sunday when their auto crashed through a wire fence, plunged over an embankment and plowed into a tree. Officials said Maars apparently lost control of the car on a rural road near Warren.

In another fatality of the miscellaneous type, Patricia Semick, 12, Republic, was injured fatally Saturday when her small motorized cart overturned at a race track near Brownsville.

## YOUNG AND OLD DIE

The other victims: Titusville—John W. Bennett, 83, of Corry, died in Titusville hospital 10 minutes after being injured in a head-on collision near Titusville Sunday.

Trevese—Leslie Albright, 24, Trevese, Saturday night in a two-car crash in Upper Southampton Township.

Spangler—Linda Mae Kovall, 4, Carrolltown R. 1, Sunday when a car operated by her mother hit a stone wall near here after the car's brakes apparently failed. The mother and two other Kovall children were hurt.

Lansdale—Betty Strawbridge, 16, a resident of Carson Valley School, Fourtown, killed when the car in which she was riding hit a utility pole.

QUEST FOR KNOWLEDGE

HOUSTON—Someone stole a kit from Dennis Black's auto. The kit contained:

A magnifying glass, a fingerprint book, correspondence course lessons and a graduation certificate from a detective school.

# Says Kennedy's Programs Costly

MECHANICSBURG, Pa. (AP)—U.S. Sen. John J. Williams (R-Del.) estimates it would take a 15 per cent tax increase to pay for the programs proposed by Democratic presidential John F. Kennedy.

The senator said the programs would cost an estimated \$13 billion to \$15 billion per year. Williams made the statements at a 25-a-plate GOP dinner in this Cumberland County community Saturday night. Some 800 persons attended.

# ZETTLE GIVES WEEVIL SPRAY INSTRUCTIONS

Dieldrin applied during October and November will be the most satisfactory material to use against the alfalfa weevil and sprouting on next year's crop, according to a letter from County Agent Frank Zettle to Adams County farmers.

Zettle said he will send the farmers more data on the forage insect situation which may indicate usage of other chemicals later in the season. However, as of now, he added, the application of dieldrin will be the best practical approach to control of the bugs during October and November.

Zettle wrote that the application should be no later than November 30. The materials for use are one pound of actual dieldrin per acre, applied as either a granular formulation or mixed with fertilizer or as a spray using an emulsion or wettable powder formulation.

Some examples, according to Zettle are: Two per cent dieldrin granules, 50 pounds per acre; five per cent dieldrin granules, 20 pounds per acre; 5 pounds dieldrin-gallon emulsion, two-thirds gallon or approximately three quarts per acre; 50 per cent dieldrin wettable powder, 2 pounds per acre.

The emulsion and wettable powder should be applied as a spray using 20 or more gallons of water per acre. Zettle warned that after the dieldrin is applied, the forage should not be harvested or grazed until the normal time for cutting the first crop next May or June.

According to the agent, control for leafhoppers and aphids will be the same as last year. This will be methoxychlor for leaf-

# BOB HOPE TO ENTER SECOND DECADE OF TV

By BOB THOMAS

AP Movie-TV Writer

HOLLYWOOD (AP)—The sage of Toluca Lake sat amid his rolling green acres, fingering a golf club and talking about the craft of comedy.

Bob Hope enters his second decade in television tonight with another of his monthly NBC romps. Never one to keep such things secret, he consented to take time from his complex business affairs to give an interview.

Though Red Skelton appears more regularly, Hope is the only comedian who has been able to survive a regular stint in TV and still maintain his career in films. He has no despair for the future of comedy.

"People ask where the new comics will come from," he remarked. "I'm not worried. There are plenty of good ones coming up through the rough, tough school of night clubs and local TV."

"That's the only way they'll develop: through the school of hard knocks. NBC found that out when they tried to run a school for young comedians. The network found out there weren't any teachers."

Hope ran through the names of some of the newcomers. Mort Sahl ("Just great; he's got a fresh style of delivery that is terrific"). Shelley Berman ("Fantastic; that airplane routine made quite an impression—put three airlines out of business"). Dick Shawn ("Clever, brilliant"). Sheck Green ("A scream").

BRUCE A COMIC

A surprising enthusiasm of Hope's was Lenny Bruce, whose four letter words and admittedly sick humor has been lambasted by critics.

"Yes, I know he uses locker-room humor," Hope said, "but the guy is opening up new realms of comedy. Some of his stuff is brilliant."

"Actually, sick comedy isn't very new at all. Some of the material we used to do with Jerry Colonna was pretty far-out. The difference is that today you get away with more."

BOB'S A LAUGHTER

Can a master comic like Bob Hope enjoy other comedians? "Absolutely," he replied. "I can laugh as much as anybody. Of course, I won't laugh at anything that is old or contrived."

He watched the work of his colleagues and enjoys them. Among his favorites: Groucho Marx, Milton Berle, Red Skelton ("He has grown tremendously"), Jackie Gleason ("A great character—a beefy, dressed-up burlesque clown").

What Hope doesn't like is comics who play it humble. He made it clear that he believes the funnyman's mission is to be funny, not to pose as the warm-hearted friend of humanity.

Mather Goes From Navy Goat To Hero

ANNAPOLIS, Md. (AP)—Greg Mather, who could have been the goat of the game, returned home today to a hero's welcome for his 41-yard field goal which gave Navy a 15-14 football upset over Washington Saturday.

The gum-chewing end from Woodland Hills, Calif., told a tumultuous welcoming rally of midshipmen at the Naval Academy.

"Nobody was as happy as I was when that ball went over. This was a great game for us, and I'm just glad I was able to do something to help."

Mather's kick—into the wind and from an angle—cleared the uprights in the last 19 seconds of the game to give Navy a victory after it had trailed the favored Huskies since he missed a possible tying conversion in the first quarter.

# CONLEY MAY QUIT BASEBALL

PHILADELPHIA (AP)—There have been other players who retired and changed their minds."

General Manager John Quinn of the Philadelphia Phillies said today of pitcher Gene Conley's intentions to quit baseball in favor of basketball.

"We talked last week," Quinn disclosed today, "and he said he thought he might retire. It's his own decision. Sure we'd welcome him back."

Quinn said the 6-8 right-hander who slumped to an 8-14 record this season after a 12-7 log in 1959 was not present for games with Cincinnati Saturday and Sunday. He will be subject to a fine, Quinn added.

Conley could not immediately be reached at his Elm Grove, Wis., home for comment.

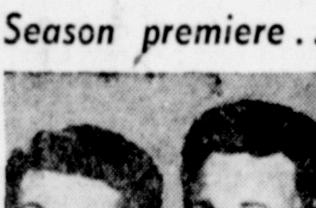

Without disclosing figures, Conley has said his basketball pay with the world champion Boston Celtics of the National Basketball Association is larger than what he gets from the Phillies.

When it was pointed out to Quinn that perhaps Conley, 29, no longer wanted to keep up the rough pace of both sports without benefit of rest and would give up basketball if the Phillies would reimburse him sufficiently, the general manager answered:

"We didn't discuss salary for the 1961 season."
